JULY 2017

From the Pastor

Rev. Julie Sterling

The sweet days of summer are finally here! The rhythm of daily schedules for many has slowed down a bit. This is a time of family vacations, ball games, cookouts and days at the beach. It is an exciting time for my husband and I. We can't wait to experience summer for the first time in Suffolk.

In the life of the church we have stepped into what the liturgical calendar refers to as "Ordinary Time". These are the months in between Pentecost and Christ the King Sunday at the end of November. The reason this time is considered ordinary is because there are no set special church holidays during these months.

I don't like using the term "ordinary", especially during this time in the life of our congregation. Our journey has just started

together and I'm excited to see where these next few months take us.

In the coming months we will be creating fun opportunities to come together in fellowship. In July we will have a Family Fun Night with games and snacks. In August we hope to go as a community to a Norfolk Tides baseball game. Every Thursday night you are welcome to join in our church Prayer Group.

I encourage you to consider joining us for an eventful summer. Help make this ordinary time into a wonderful adventure in the life of our church!
